**Week of May 20-25, 2019**

## Interesting Facts for the Week

Conservationists in South Africa have been injecting rhino horns with red dyes and toxins to prevent poaching. The mixture renders the horn completely useless to those trying to sell it commercially and is also toxic for human consumption.

Pat Sajak and Vanna White work only 36 days per year. They work 4 days per month for 9 months, filming six episodes of Wheel of Fortune from 12 noon to 6pm. It amounts to a full year's worth of programming for ABC.

A supermarket was closed down so that Michael Jackson could fulfill his dream to go to a supermarket and shop like everybody else and experience what it was like to "put things in a basket." It was populated with his friends and family pretending to be fellow shoppers and employees.
