

Dear Parents,

As you may or may not know House Bill 2610 changed the calculation of the average daily attendance for the purpose of state funding under the foundation of school programs. Harrold ISD Board of Trustees has approved a new calendar to comply with House Bill 2610. The new calendar can be accessed on the Harrold ISD web site. www.harroldisd.net

Students will now be required to attend 75,600 minutes per year instead of 180 days. The only other immediate changes for our students include reporting to a first period class, where attendance will be taken at 7:35 AM. After attendance is taken those students required or needing to go to tutorials will be released to do so. No other changes have been added to the day-to-day calendar. Other changes are listed on the calendar which can be accessed on our web site.

If more information is needed feel free to contact the school at 940-886-2213.
