

Freestyle pictures will be taken next Thursday, March 10. This year the yearbook staff will be taking the pictures since Lifetouch Photography no longer supports this program. As in the past years, students may take pictures with friends, siblings, or family members. Also, students may bring school appropriate props from home (sorry, no live animals) to include in the picture. The following packages and individual picture prices are being offered to students and parents. Pictures must be prepaid. Please choose from the following packages and/or pictures a la carte and include who will be in the picture. Thank you for your support of the Harrold Yearbook.
