Dear Harrold I.S.D. Parents, Guardians, Family Members, and Community,

September 3, 2021

COVID – 19 CAMPUS VISITATION INFORMATION

For the safety of our students, staff, and all stakeholders of Harrold I.S.D, outside guests, non-staff members, family members, or community members will not be permitted to come on campus to attend pep-a-rallies, class parties, lunchtime visits, or any other visitation that would put non-staff members in our building or facilities with our students. I apologize for the late notice, but the state guidelines and regulations dealing with the rising Covid-19 cases are changing daily and we have to follow these for the safety of everyone especially our students. I understand spending time with your children in our school setting is very important and enjoyable for all but to keep everyone safe as possible and minimize the spread of the disease, we can not allow it at this time. In any other case, it would be appreciated and encouraged to be involved more with your children while they are on our campus.

ATTENTION: VETERANS PLEASE PUT THIS DATE ON YOUR CALENDAR

On Thursday, November 11, 2021, at 10 A.M. in front of the school by the flag pole, Harrold I.S.D will be celebrating Veterans Day 2021. All family members of students or community members that have served in our armed forces will be recognized and appreciated on this day of celebration. This event will be outdoors to allow everyone plenty of space and social distancing. Hopefully, the weather will cooperate on this day to allow us to have this event. If you are not able to attend this event, **HARROLD I.S.D WANTS TO THANK YOU FOR YOUR SERVICE TO OUR GREAT NATION.** If you have any questions or concerns, please contact our Principal Mr. Templeton at: craig.templeton@harroldisd.net or (940) 886-2213 ext. 202.

OTHER CAMPUS SAFETY INFORMATION

The outside doors to our campus will not allow outside visitors access to our building without clearance during the instructional school day. This procedure is to keep our students safe as possible while they are here under our supervision and care. To ensure the safety of our students and staff, all visitors must call the posted phone number on our front door entrance to check-in for entrance into the building. We apologize for the inconvenience, but the safety and well-being of our students is our # 1 priority here at HARROLD I.S.D. We are in the process of installing a different system that will have a camera and check-in speaker for visitors allowing the check-in process more convenient for our parents, family members, and guests.

ALWAYS HERE FOR OUR KIDS,

Cody L. Patton
